

Grace Christian Academy
Band Performance Attire
2010 - 2011

Advanced Band. The advanced band has designated attire for all performances. The cost is minimal and these garments can be worn in other venues.

These items can be purchased sometime during the first quarter of the school year. Students will be expected to wear band performance attire for all performance days including those on chapel days. There is one basic standard for all students with a vest option for those who wish to dress up more:

Required Attire

- White Oxford shirt with (preferably) long-sleeves
- Black dress slacks with a black belt
 - (ladies may opt for a long solid black skirt: *floor length or T-lengths only*)
- Black dress shoes (black socks)
- Black satin bow tie (boys and girls, standard 2.5")

Optional Attire

- *Optional* black satin vest with full back for either boys or girls

The satin bowtie from Uniform Tux is \$1.95. Select USPS shipping at \$8-11 for a total of \$10-13. A silk bowtie is acceptable. This may be purchased elsewhere. (Shipping costs doubled since last year.)

The *optional* black vest from Uniform Tux is \$25 plus \$8-11 for shipping totaling \$33 to \$36. *This is not a required item.*

It may be purchased by boys or girls as a personal preference. It does not need to be purchased from Uniform Tux, but if acquired, it should be *black with a full back.*

Beginning Band. Beginning band students usually perform only once in the spring with the advanced band. They are expected to wear chapel dress for performance.

However, beginning band students may choose to wear the performance attire of the advanced band. In that case all advanced band dress requirements would apply.
