## Lessons Registration Form

Grace Brethren Christian School offers private instrument lessons that are billed monthly through the business office. Lessons begin when they are scheduled by the instructor and are expected to continue through the school year. Students who will commit themselves to diligent practice find that private lessons are a proven way of excelling in music.

Please check the lessons area you would like for your child. Lessons may be given during school hours or after school as the instructors' schedules permit. Thirty-minute lessons are standard. The School of Music also offers 60-minute lessons to advanced students. The piano teacher will determine if a 60-minute lesson is appropriate for the student and if it will work with his/her teaching schedule. The teacher will typically recommend this option for the parent to choose.

The lessons schedule is based on 32 lessons for the school year payable in seven monthly installments. The cost is \$22 per lesson plus a \$15 monthly administrative fee. Piano students will also have an additional, separate activity fee totaling \$25 to \$50 assessed by the piano instructor depending on the student's participation in various events. Students who begin after September may have a prorated billing schedule based on a reduced number of lessons provided with the number of months charged.

**Lessons for 30 minutes** cost \$22 per lesson totaling **\$704**, plus the **administrative fee** of \$15 per month that totals **\$105** for the year, amounts to a total cost of **\$809** for 32 lessons during the school year, payable in **seven monthly payments of \$116 per month** beginning October 1, 2010, and ending April 1, 2011. *Piano fee add \$25-50. (Sixty-minute lessons will total \$1,513 with seven payments of \$216.)*

*As with the tuition payments, payment for billed lessons is due on the first of each month with a 2% fee assessed after the tenth of the month (payable with cash, check, money order, cashier's check, or credit card: Visa, MasterCard or Discover). I understand that students withdrawn after January 3, 2011, will be billed for the balance of the school year. This registration commits me to the continuation of lessons for my child throughout the school year. The school administration implementing these policies reserves the option to review them in light of relevant circumstances as it deems appropriate.*

*We have read and understand the policies of the Grace Brethren School of Music both on this document and on the School of Music policy handout available at <http://www.graceknights.org/SOM.htm>. We agree to support these policies, and will work with the staff of the School of Music in the best interest of our child by encouraging consistent practice on a daily basis. It is my understanding that a lack of consistency in the area of practice and/or preparedness may result in dismissal from the School of Music program.*
