A. PARENTAL PERMISSION

I give my child (named above) permission to participate in the interscholastic school athletic program at Grace Christian Academy including practices, games, and all travel involved. Due to our very busy athletics schedule, it may occasionally be necessary to transport your child to an away athletics event via personal vehicle. These vehicles are driven by school staff members, parents or coaches. Please check one of the following:

- Yes, my child has my permission to travel to athletics events via personal vehicle as needed.
- No, my child does not have permission to travel to athletics events via personal vehicle. Please contact me to make arrangements for me to transport my child when a school bus is not available.
- My child is a driver and may drive himself/herself to away athletic events. I understand that no one else will be riding with my child.

I understand that there are inherent dangers, including possible bodily injury, which may result from participation in athletic activities. I will not hold the coaches, other school personnel, or the school liable or responsible in the event of an injury. In the event of an emergency occurring while my son/daughter is participating in a school-sponsored practice, performance or trip, I grant permission for the school and its employees to take whatever action is necessary. In the event that I cannot be reached, I hereby authorize the school and/or its employees to give consent for my son/daughter to receive medical treatment.

GCA will often use photos and/or videos for promotion and advertising of our programs. Your child's name, photograph, and/or video of your child may be used in newspaper publications, our advertising, website, and online. Please speak to the athletic director or GCA administrator if you believe you have a special exception. I understand that my child's photo/video may be used in GCA advertising/website.

I agree to adhere to all GCA athletic policies as presented in the athletic handbook on the GCA website. Furthermore, I understand that there are parent volunteer responsibilities associated with my child's participation in the GCA athletic program.

I agree to all of the above and certify that the information I have provided is correct.

B. PARENTAL LIABILITY WAIVER

I understand that the school has no funds to meet the bills resulting from necessary care of pupils in emergencies. I will be responsible for any costs which may be incurred as a result of illness and/or injuries sustained by my child. The school does, however, maintain supplemental accident insurance coverage for students participating in school activities, both on and off campus. Claims are to be made with my insurance company first, and then directly with the company that provides the supplemental insurance. I am aware that I can contact the school office for information on how to file a claim.

I understand that my child is responsible for compliance with the coach and to school policies in all matters.

I certify that to the best of my knowledge my child has no physical impairment which could be a danger for him/her.

I agree to all of the above and certify that the information I have provided is correct.
