### Message From the Office

I cannot believe that we are already almost halfway through the last quarter of the school year! We made it through standardized testing week and after Spring Break, the last few weeks of the year always fly by! We have so many fun events planned for the rest of the school year, including sporting events, awards ceremonies, the Knight Run fundraiser, field trips, promotion ceremonies and graduations. However, we want to make sure students stay academically focused so they can finish the 4th quarter out strong! Please help your student stay on track by checking the weekly RenWeb progress report emails and encouraging them to stay on top of their assignments and prepare for assessments. Middle school students will continue to have study hall every Tuesday. They should use this time to work on missing work, study for upcoming assessments, read AR books, and get extra help from teachers. As the school year is ending, you may be in need of report cards, transcripts, and other academic records. Please email [records@graceknights.org](mailto:records@graceknights.org) for all records requests with a list of what is needed and where to send them.

***The teachers and staff are looking forward to a wonderful end of the school year!***

In His service,  
*Megan Schaniel*  
Academic Advisor

## Teacher Appreciation Week is coming! May 2nd - 6th

GCA is blessed with truly amazing teachers that put in an incredible amount of time, effort and love into educating our students. Many make personal, professional and financial sacrifices to work in Christian education because they believe in giving students excellent academics and making an eternal impact for His Kingdom! We want to show our teachers how much we truly appreciate them! Please be on the lookout for an email teacher wish lists and favorite things so you can bless them during this week!

### PreK/Elementary Dismissal:

**We are training some new staff to help out with dismissal. When we return from Spring Break, please bring your car tag with you so the staff members can learn names and faces as well as know who is the authorized pick-up. If you no longer have your tag please bring ID. We ask that you remain friendly if a staff member has to contact the office to verify your student's pick-up. Learning the names and faces takes time and there is no need to be upset or aggravated when we are putting your student's safety first. Thank you for understanding!**

### GCA Athletics

Athletic Director: [stacie.buhl@graceknights.org](mailto:stacie.buhl@graceknights.org)

*Spring Sports are underway! Track and Field has already has its first meet! To stay up to date on the sports calendar, please refer to the school website calendar. Please keep in mind that student athletes are students first, then athletes. Education is a top priority and students are responsible for all classwork, homework and being prepared for assessments.*
