

New Family Referral Incentive Program

Description and Procedures

- The New Family Referral Incentive Program awards a current Grace Christian Academy of Maryland family with a \$500 tuition credit for each new family that is referred to and actually enrolls in Grace Christian Academy of Maryland, Waldorf (PK-8th grade) for the following school year. Maximum credit for new family referrals is \$1,500 (3 new families). **Referred families must be new to GCA.** (This does not include families already attending, who have previously attended, or siblings of current families of Grace Christian Academy of Maryland.)
- The referral program is for parents or guardians of enrolled families (PK3 – 8th grade) attending GCA at the time of credit distribution.
- Referral award consideration is limited to new families enrolling in GCA. The New Family Referral Verification form is due in the Finance Office no later than October 1st of the school year applying.
- The tuition credit will be applied toward the last payment due in May. If you pay yearly, semester, or quarterly it will be credited to your account in April and you may use it to pay for your first month tuition or program fee for the next school year. If you are a parent with an 8th grade student and no other child in the school, you will receive a check for your referral bonus. Also, a bonus check will be provided to any family who is transferred from the area due to work responsibilities. Bonus checks will be dispersed on or before May 31st. Early withdrawal from Grace (current family or new family) will invalidate the tuition credit.
- Completed New Family Referral Incentive Program forms must be sent to the attention of the Finance Office at the school address.
- A signed New Family Referral Incentive Program form must on file with the Finance Office and must indicate a name match in the Referral Verification box on the new Family's Enrollment Application.
- The new family must be enrolled by October 1st of the eligible school year and must attend GCA for the entire school year for the referring family to receive the tuition credit.
- If two families refer the same family, the name match will be used to decide which family gets the referral credit. Only one family can receive a referral tuition credit per new family. New family applications will not be returned to change the referral information.
